Installing PaperCut YalePrint Guest Queue on a Visitor PC

- Read the instructions. Click on the Windows button on the desktop.

- Click in the Search box.
-Enter `\paperc-prd-ps1.yu.yale.edu\YalePrintGuest` in the Search box. Hit Enter.

-YalePrintGuest queue will load and install the required print drivers. (you need admin access to your pc to install the drivers) Login using your NetID if prompted. The YalePrintGuest queue jobs window will appear when install is done.

-The YalePrintGuest printer queue is now available for printing.
